General Comments
<p>Monitoring inspection completed today.</p> <p>Babies were observed in both their indoor and outdoor play environments. Indoor and outdoor environments are set up with a variety of materials for the children. Educators were observed engaging with children at their level by crouching/sitting with them. During diapering, educators engaged in conversation with the children.</p> <p>Documentation posted in the entry ways and in the play environments highlight children's recent learning.</p> <p>Handwashing and diaper changing observed during inspection.</p> <p>Discussed with older infant educator allowing children to nap in the outdoors on nice days. QA Monitor discussed that yes, children are permitted to nap in the outdoors on cots or mats. Ensure that there is adequate shade for the children when napping in the outdoor play area. Rest area requirements are to be met with regards to space of at least 46 cm between each mat and should be disinfected after use outdoors.</p>
