General Comments
<p>The children were getting ready for snack when I arrived. After snack the children were observed washing their hands and engaging in some free play activities such as building with Lego and magnetic blocks. Playing at the doll house, kitchen play, driving cars on ramps and dressing up in costumes.</p> <p>After free playtime was over the children were able to participate in some planned activities. Once group made valentines cards for the local senior's home. Other rooms had sensory bins set up with rice, tweezers, gems and stones. Painting was a popular activity today as well.</p> <p>The facility is clean and bright with many natural and wooden materials in the rooms. There are a variety of materials for the children to learn and explore with.</p> <p>Documentation and learning stories are up to date and posted at the entrance for family members to see.</p> <p>The facility seemed to be running smoothly during the visit.</p> <p>Please update the parent board with my information.</p> <p>Troy Williams troy.williams@gnb.ca 506-259-4172</p>
