<p><b>General Comments</b></p> <p>When the inspector arrived for the follow up inspection, the second surface had not been added to the playgrounds. The inspector had to wait for the operator to send someone over with sand. Sand was delivered and there is now a sand box in both playgrounds. The children were very happy, there were over ten children who ran over to the sandbox immediately. A reminder that compliance must be met by the compliance date unless discussed with the inspector.</p> <p>The staff member with a social development contravention is no longer working at the daycare.</p> <p>The operator did send some required paperwork regarding the wall that was added.</p> <p>I recommend for renewal.</p>
