Address 10 MacKay Drive Fredericton NB E3B 5A3			
Name of Early Learning and Childcare Licensing Staff Lindsay Lewis		Position Title Quality Assurance Monitor	
Order for Compliance	Regulation	Date to be corrected	Date corrected

General Comments

Licensing Staff arrived at the facility to perform a Monitoring Inspection. Upon arrival, the children were engaged in a variety of activities. The class offered various learning resources and materials for the children to freely explore. At one table, a small group of children were using paint sticks on a large piece of paper. Working together they drew hearts, people and other colorful creations. In another area of the classroom a group of children wearing construction hats worked together to build a tower using Jenga blocks. One child had a toolbox full of hammers, screw drivers and other construction related materials.

The Educator announced it was time to prepare for morning snack. The children were observed tidying up from their morning activities. Those who wished to continue their activity later, were able to put a stop sign near it to prevent friends from putting it away. Tables were cleaned and hands were washed before the children sat down to eat morning snack. As the children finished eating, hands were washed, and the children had the opportunity to explore the classroom before getting ready for outside. Songs were sung as they waited for everyone to have jackets, mittens and outdoor shoes on. The children were eager to play with pumpkins outside, rolling them down the hill and trying to catch them.

Only positive child guidance was observed during today's Monitoring Inspection. The Educators were patient and kind when speaking with the children, kneeling to ensure they were at their level. An Educator was observed helping friends talk through a conflict, offering suggestions and assistance. Staff files were reviewed today. It was noted that one staff members file was missing a current Social Development check although was able to locate while on site. Please ensure that all required documents are in staff files and easily accessible at all times.
