General Comments
<p>Licensing Staff arrived at Centre to introduce the new Quality Assurance Monitor and perform a Monitoring Inspection.</p> <p>Upon arrival the children were in the process of waking up from their nap. During this time, the children were seen playing together with Mr. Potato head, others were playing in the play kitchen area and with puzzles. Toy bins are labelled and in good condition. Once all the children were awake and diaper changes had been completed, the children prepared for snack time. As per our discussion, please ensure all hands are being washed before snack time. The children all sat together at a table in the kitchen, while the youngest sat close by in a highchair. The Educator was observed cleaning the table and sweeping the floors after snack.</p> <p>As the children finished eating snack, they prepared to transition outside to end their day. The Educator was observed filling all water bottles before going outside. Sunscreen was brought outside and applied to each child. The children enjoyed playing with chalk, going down the slide and playing with a ball.</p> <p>Parent posting board is up to date and organized. Pictures of the children were displayed along with their artwork. Childrens belongings were labelled and tidy.</p>
