General Comments
<p>Upon Licensing staff arrival, the Operator and children were preparing for morning snack.</p> <p>The main indoor space had new colourful stickers of handprints, fruit and numbers on the wall. Children's artwork, learning material, and photos have been moved to child level. During inspection the children were observed reflecting on past experiences and touching their photos on the wall. Prior to the children eating snack, proper diaper changing procedures as well as handwashing procedures were observed. After snack, the Operator and children prepared to go outdoors to play. The Operator filled up water bottles and applied sunscreen to the children. While outdoors, the children were observed playing with the musical sensory wall, using the Little Tiikes slides and cars, as well as water play.</p> <p>Licensing staff recommends for renewal.</p>
