Order for Compliance	Regulation	Date to be corrected	Date corrected
----------------------	------------	----------------------	----------------

<p>General Comments</p> <p>The children were in the outdoor play space when I arrived. They were engaged in a variety of activities such as playing on the swings and slide, playing soccer and digging in the rocks. The educators were seen playing with the children and consoling them when they were having a rough time. The indoor space is clean and organized. There is a variety of materials to meet the children's interests.</p>
