Order for Compliance	Regulation	Date to be corrected	Date corrected
12(0.1)(a)(i-iii) In subsection (1), an operator of a licensed facility includes: (a) in the case of a criminal record check or a vulnerable sector check, as the case may be, (i) in the case of a corporation or unincorporated association, the directors, (ii) in the case of a partnership, the partners, and (iii) in the case of a limited partnership, the general partners;	12(0.1)(a)(i-iii)	Aug 18, 2025	
Comments: During the renewal inspection, the Quality Assurance Monitor noted that one of the board members did not have a Criminal Record Check and Vulnerable Sector Check on file. The administrator was reminded that all board members are required to obtain these checks. The administrator informed the Quality Assurance Monitor that the board member in question is currently on vacation and that the required checks will be obtained upon their return.			
24(1) For the purposes of subsection 20(1) of the Act, the following records and documents shall be maintained on the premises of a licensed facility: (f) daily attendance records of the children on forms provided by the Minister.	24(1)(f)	Aug 18, 2025	
Comments: During the renewal inspection, the Quality Assurance Monitor observed that the reasons for children's absences were not recorded on the daily attendance sheets. The Quality Assurance Monitor reminded both the educators and the administrator that it is required to document the reason for each absence on the daily attendance records.			
25 An operator of a licensed facility shall post in a clearly visible and prominent place on the premises: (f) the name and telephone number of the members of the board of directors, if applicable.	25(f)	Jul 31, 2025	Jul 31, 2025
Comments: During the renewal inspection, the Quality Assurance Monitor observed that the names and telephone numbers of all board members were not posted. This was brought to the attention of the administrator, who promptly updated the posting to include the missing information. Deficiency is now compliant			

General Comments

The Quality Assurance Monitor is on site to conduct the renewal inspection. Throughout the visit, child-to-staff ratios were maintained.

During the inspection, the Quality Assurance Monitor observed children engaged in both indoor and outdoor play, as well as eating lunch and preparing for nap time.

General Comments

A discussion was held with the administrator regarding the practice of stacking children's sleeping mats during nap time preparation. The Quality Assurance Monitor clarified that mats must not be stacked once children's sheets and blankets have been placed on them. The administrator responded promptly by separating the mats.
