General Comments

The Quality Assurance Monitor is on site to conduct a monitoring inspection in the morning.
Child-to-staff ratio is maintained throughout.

During the monitoring inspection, the Quality Assurance Monitor verified:

- Required postings are displayed in a visible and prominent place in the facility
- Child records include all necessary documentation
- Signed consent forms are present in each child's file
- Incident records are properly maintained
- Indoor play area is safe and appropriate
- Indoor play area materials and equipment are suitable and in good condition
- Daily activities are planned and implemented

While on site, the Quality Assurance Monitor observed children eating their morning snack, playing indoors, engaging in various activities and crafts, playing outdoors, and having lunch.
