A small group of children have created their own restaurant. QA Monitor discussed ideas of materials to add to expand on this ongoing interest. Examples of materials to add but are not limited to clean food containers/boxes, cash register, menus, pretend food, real-life items, etc. The art area is in need of a variety of collage materials. Examples of materials to add but are not limited to googly eyes, stickers, fabric, scrapbook paper, loose parts, pom poms, etc. There is a sensory bin with noodles and rice accessible to children however, accessories are not accessible. Accessories for measuring, digging and dumping to be added to bin.
