General Comments

The inspector is on site to conduct the renewal inspection.

Upon arrival, the inspector observes children transitioning outdoors. Outdoor free play is taking place, and one classroom is having their morning snack outside.

The inspector also observes the lunch period and rest time.

Later in the day, the inspector observes the arrival of school-age children from school and observes the afternoon snack period.

A discussion is held with the administrator to ensure that all children's belongings are properly labeled with each child's name.

Another discussion is held with the administrator regarding the employee files to ensure that they are completed with no information or certificate missing from them.

A discussion is held with the administrator to clarify that eligible educators must complete the required 10 hours of professional development before the permit expiration date of October 31, 2025.

The ratio is respected during the inspection.
