<p>General Comments</p> <p>A Monitoring Inspection was conducted this morning. Quality Assurance Monitor Cathleen LeBlanc and Manager of Early Learning and Childcare Services Megan O'Hara completed the inspection.</p> <p>Children were observed during free play, snack, and transitioning to outside play. Diaper changing was observed and diaper changing procedures were followed. Children were also observed during outside play.</p> <p>Several well-defined learning / play centers were observed in all classrooms - Building, Arts & Crafts, Cozy Corners, Science, Dramatic Play, and Goss Motor. Each classroom contained several forms of documentation - children's artwork, learning stories, children's binders, word webs, photos, etc.</p> <p>The outside environment had several activity choices for the children - sandbox, wheelbarrows, shovels, balls, and bikes. An educator was observed setting up an outdoor arts and crafts activity for the children. Fresh paintings were observed drying on the grass. A conversation was had with operator regarding the rock / rope climber in the preschool play area. Some material on the sides of this climber is ripped. Operator stated that they would remove the ripped material.</p> <p>Fence - a conversation was had with operator regarding a piece of damaged fence. This portion of the fence is not in the infant fenced in play area, but rather, beside it, by the back entrance of the facility. Operator stated that the children are only in this specific area, when getting in and out of their wagon. Operator stated that the children do not play in this area. Operator stated that this piece of fence will be repaired.</p>
