General Comments
A renewal inspection occurred on January 7, 2025. The children were observed during morning snack, outside play, lunch, nap/quiet time, free play after nap and afternoon snack. Handwashing and diaper changing procedures were observed and being completed properly. Educators were observed down at the level of the children engaged in their learning and play. Positive interactions were observed between educators and children in both infant groups. Children's learning is documented and displayed in the rooms.
