### General Comments

This was the first monitoring visit since the facility opened in May.  
When licensing staff arrived, the infant aged children were in the outdoor play space. The children were engaged in a variety of activities such as the bubble machine, driving Lil' tike cars, sliding and playing in the house.  
The infants went inside for a late morning snack, the pre-school group went to the outdoor play space where they were engaged in the sandbox, driving the lil' tike cars, playing on the tires and mowed the grass with the toy lawn mowers.  
The children are becoming familiar with the daily routine of the center.  
Positive child guidance was observed.
