General Comments The following elements were verified at the time of the monitoring inspection: -The child–educator ratio. -The circulation areas as well as the outdoor pedestrian pathways are free of obstacles and hazards. -The outdoor equipment is varied and available in sufficient quantity for all children present. In this playground, there are dozens of balls of different sizes, trucks, shovels, buckets, materials for playing in the sandbox, hoops, etc. -The surface is covered with more than one type of material to allow for different types of activities. -The outdoor play area is safe and clean. -The children's personal belongings are labeled. During the monitoring inspection, the quality assurance mentor observed the preparation to go outside in the afternoon. Outside, the quality assurance mentor observed that the children had created a small garden with blueberries, raspberries, and an apricot tree. The children go into the garden and learn vocabulary related to this topic. The children play in the sandbox. Water bottles are available for the children.
