General Comments

The quality assurance monitor is on-site to conduct a monitoring inspection.

The quality assurance monitor is present in the morning during the transition to outdoor play and throughout the outdoor play period. The children engage in a variety of activities, including passing a ball, riding toy cars, and climbing a small wooden play structure.

The following elements were verified:
- ratio and maximum number of children
- posted in a visible and prominent place in the facility
- child guidance
- indoor play area
- indoor play area materials and equipment
- washrooms
- diaper changing
- premises
- supervision

During the visit, the ratio is respected.
