General Comments

-Late afternoon visit to the establishment for an unexpected monitoring inspection
-Ratio was respected during the visit
-Discuss with the educator the change in the regulation when it comes to hot beverages.
-Guidance of children is done in a positive and respectful way
-At the moment no medicine is kept or given at the center
-Parent board is posted in the room next to the door it is in a visible and prominent place. All required documents were found on the board.
-Indoor environment provides for children a space that is safe and clean. The material is varied and in sufficient quantity for all children present, easily accessible on open shelves.

Observations: When arriving at the center children were eating their snack. Once they were done, they transitioned into free play. Some played with Dickie cars, while others were writing menus of their new restaurant, and some were reading and playing with pop its.
