39(2) A licensed facility shall have a separate locked storage space that is inaccessible to the children for each of the following: (a) toxic products, chemical products and cleaning supplies;	39(2)(a)	Nov 21, 2025	Jan 07, 2026
Comments: Laundry detergent is now in locked closet and moved from the open shelf. Deficiency is now compliant			

<p><b>General Comments</b></p> <p>Operator sent a photo via email of the cupboard which held the laundry detergent to show it has been moved. The laundry detergent mentioned in the report belonged to the school. The administrative team informed the school that the detergent needed to be secured away from the children, and they have since moved it into the locked closet in the room. All compliances are now complete, and facility is recommended for licensing.</p>
